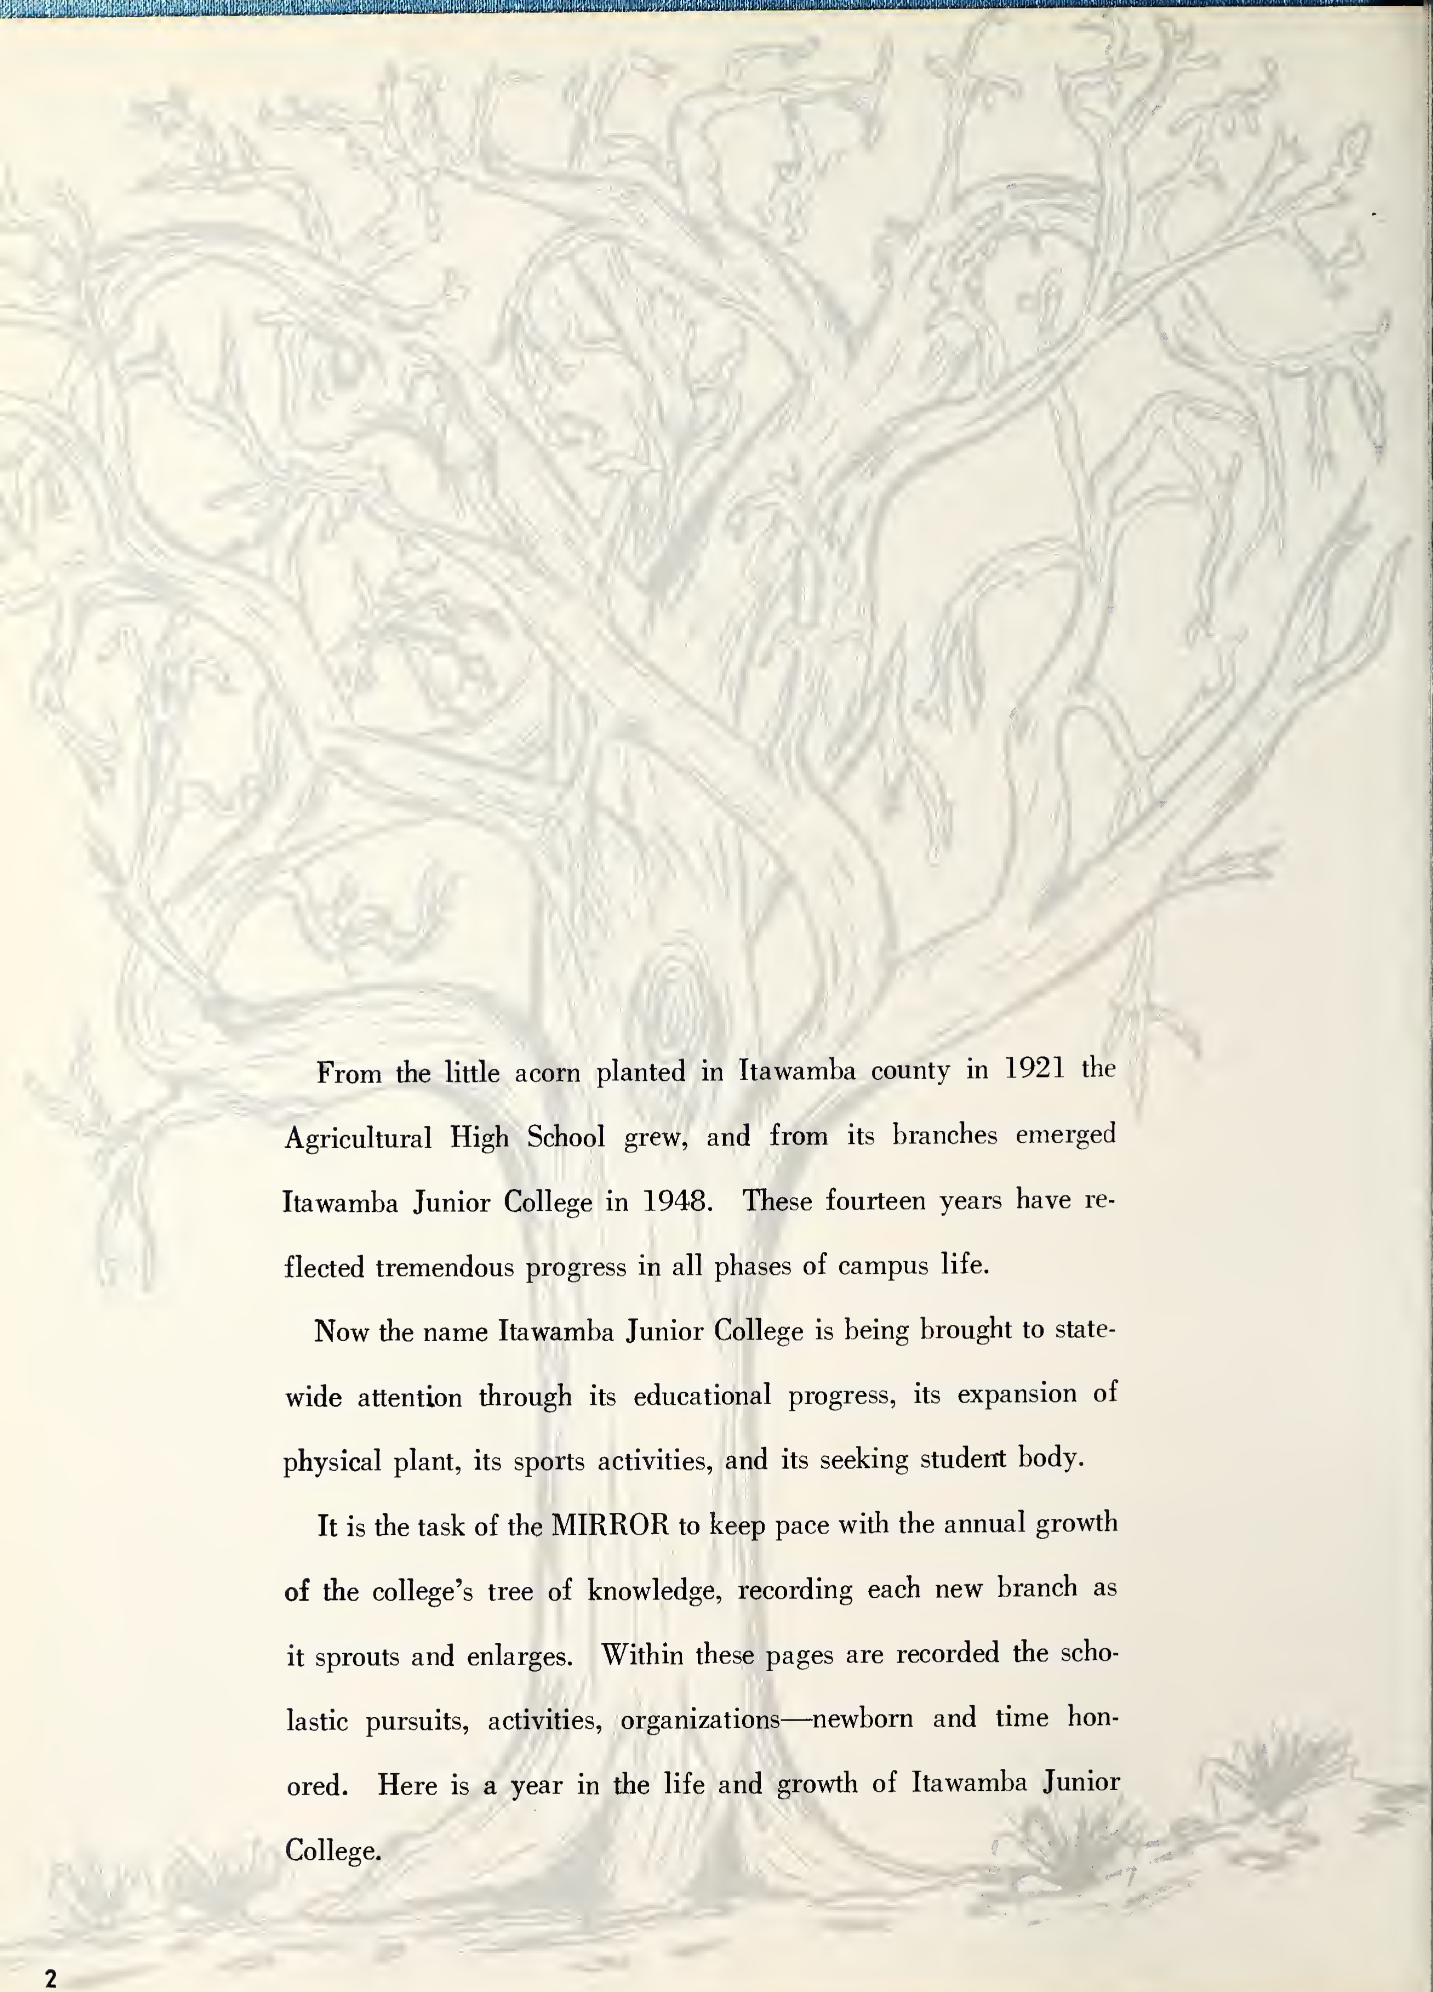
Itawamba Junior College
and
Agricultural High School

A Reflection
of
Growth



From the little acorn planted in Itawamba county in 1921 the Agricultural High School grew, and from its branches emerged Itawamba Junior College in 1948. These fourteen years have reflected tremendous progress in all phases of campus life.

Now the name Itawamba Junior College is being brought to statewide attention through its educational progress, its expansion of physical plant, its sports activities, and its seeking student body.

It is the task of the MIRROR to keep pace with the annual growth of the college's tree of knowledge, recording each new branch as it sprouts and enlarges. Within these pages are recorded the scholastic pursuits, activities, organizations—newborn and time honored. Here is a year in the life and growth of Itawamba Junior College.

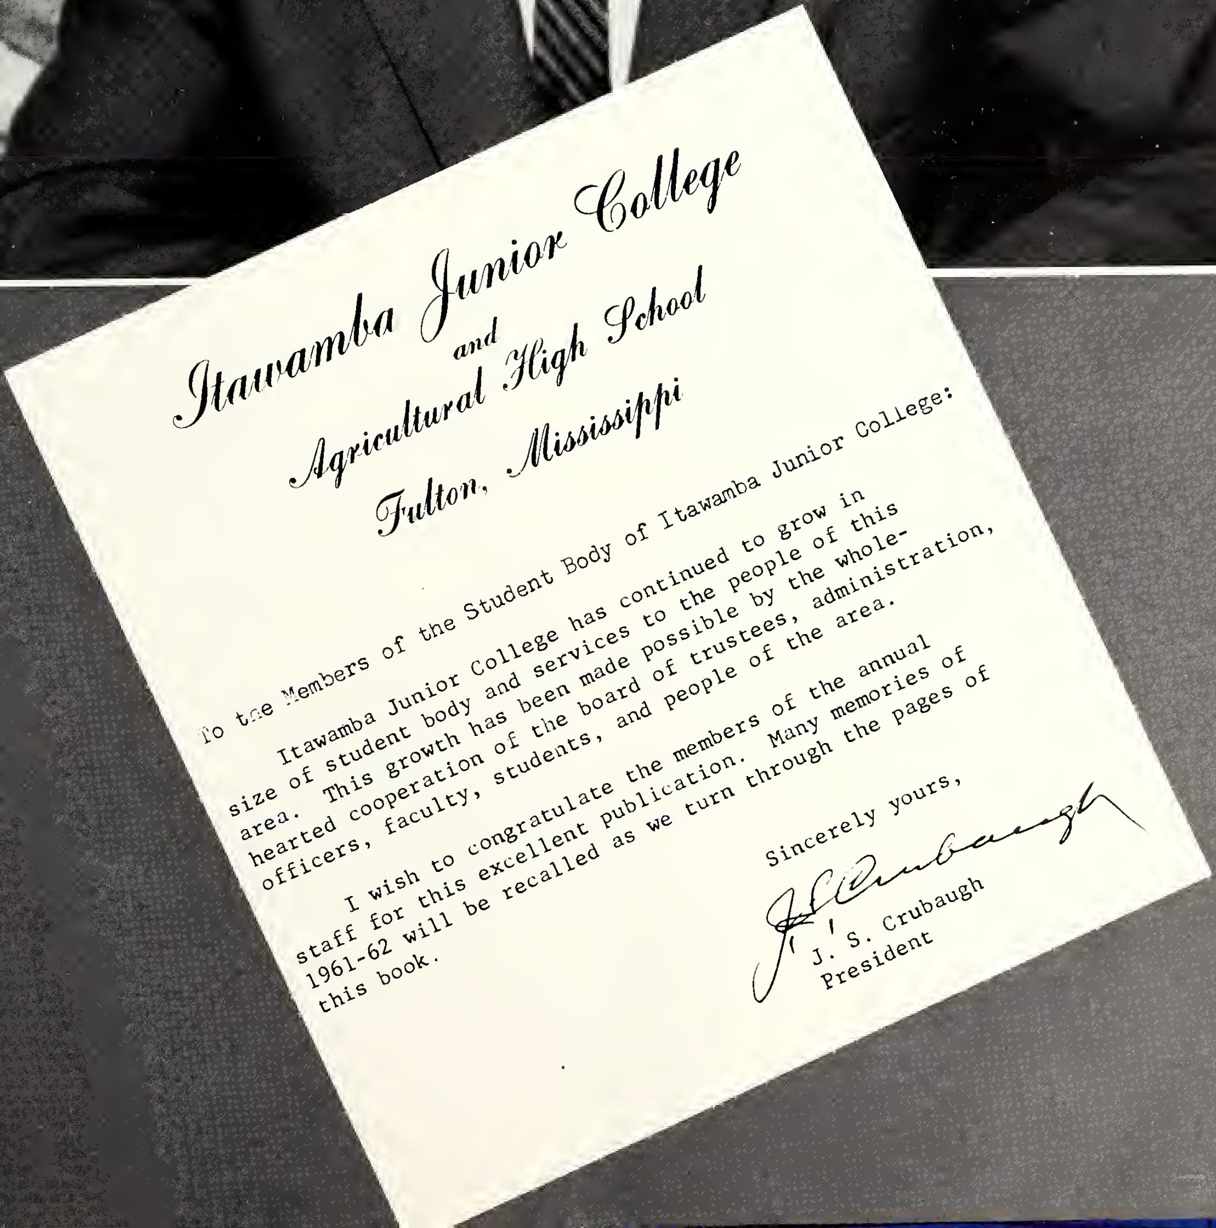
Hines and Williford—where are you??

My association with you this year has been most pleasant. Your excellent cooperation and outstanding attitude for this session is highly appreciated.

Many of your fondest memories are recorded in this edition of the MIRROR. For many years to come, you will be able to sit down and recall many fond experiences by simply thumbing through the pages.

We shall always be indebted to the 1962 annual staff for work beyond the call of duty in making this 1962 edition of the MIRROR possible.

James Thrash



Itawamba Junior College
and
Agricultural High School
Fulton, Mississippi

To the Members of the Student Body of Itawamba Junior College:

Itawamba Junior College has continued to grow in size of student body and services to the people of this area. This growth has been made possible by the wholehearted cooperation of the board of trustees, administration, officers, faculty, students, and people of the area.

I wish to congratulate the members of the annual staff for this excellent publication. Many memories of 1961-62 will be recalled as we turn through the pages of this book.

Sincerely yours,

J. S. Crubaugh

J. S. Crubaugh
President

Mrs. Sam Mayhall and Mr. James Thrash exemplify the growth of our school. Mrs. Mayhall has been with the college since its establishment in 1948. Mr. Thrash came to Itawamba Junior College in 1953.

There have been many times when we have needed help and guidance, and during these times we found we could always depend on Mrs. Mayhall and Mr. Thrash. They have always given us wise counsel and the answers to our questions. They have taught us good citizenship, respect, and honor.

To you, Mrs. Mayhall and Mr. Thrash, we, the 1962 annual staff, dedicate the MIRROR in return for the priceless gifts of knowledge and the inspiration you have bestowed upon us. We deeply express our gratitude for the guidance and support you both have so unselfishly given us.

Dedication

We on the yearbook staff hope that the 1962 MIRROR will help you relive your junior college days. We have attempted to reflect the growth of Itawamba Junior College, as well as the best and most outstanding memories of the 1961-62 school year.

We would like to express our appreciation to our advisor for her capable assistance and to each faculty member and each student for their cooperation.

We hope that we have succeeded in our endeavor to present a good annual to you. With the sincere wish that each of you will find among these pages something you will remember for a long time, we present to you the 1962 MIRROR.

Nan Collins

Nan Collins
Editor

Mrs. M. T. Seitz, hostess, and Mr. Wayne Wood, dean of men, discuss dormitory problems with Sarah, Jayne, Steve, and Ernie.

Mr. Ray Nanney, Financial Secretary, supervises the work of his secretaries, Mrs. Billy Coleman and Mrs. Charles Stone, and his student assistants, Dorothy Daniel and Kathryn Robertson.

Dean James Thrash assists his student secretary, Edna Sue Goode, in the absence of his other secretary, Carolyn Cobb.

Mr. R. L. Woods, Registrar and Guidance Director, advises his student assistants, Betty Bryant, Virginia Ferguson, and Mary Evelyn Curry.

President J. S. Crubaugh dictates to his secretary, Miss Carolyn Franks.

Administration and Staff

Mrs. Price Senter, Mrs. Morris Tucker, Mr. C. H. Green, and Mr. E. E. Hall provide refreshments in the recreation center.

Mrs. Lou Sheffield, school dietitian, plans the school meals with the aid of her staff.

High School Principal Weatherford and his secretary, Mrs. Christine Pate, make sure the announcement sheet is complete.

At regular monthly meetings the Board of Trustees discuss school policies.

Mr. T. L. Burch handles the book needs of Betty and Diane.

"What do you think of the twist, Taylor?"

Sophomores

As the buds of oak trees develop into leaves and stronger branches, so have last year's freshmen become more mature individuals.

These stronger oaks of the student body have contributed to the progress and achievements of the school by increasing the enrollment and by assuming many responsibilities.

President .... Charles Waide
Secretary .... Nan Collins
Vice-President .... Gerald Godfrey
Treasurer .... Linda Crawford

Sophomores know the value of good study habits.

Sophomores contribute to campus entertainment.

Sophomores lead the cheering at pep rallies.

Freshmen

The budding branch of this tree represents the freshman class. The lateral buds indicate the initial steps into the ventures of higher education. Bud scars show the work involved in institutions of learning. In Stepember IJC enrolled the largest freshman class in the history of the school. The eager freshmen were here 357 strong. As branches and twigs develop into beautiful trees, so do freshmen grow into mature individuals. This year has meant much growth for these freshmen; yet this is only a start.

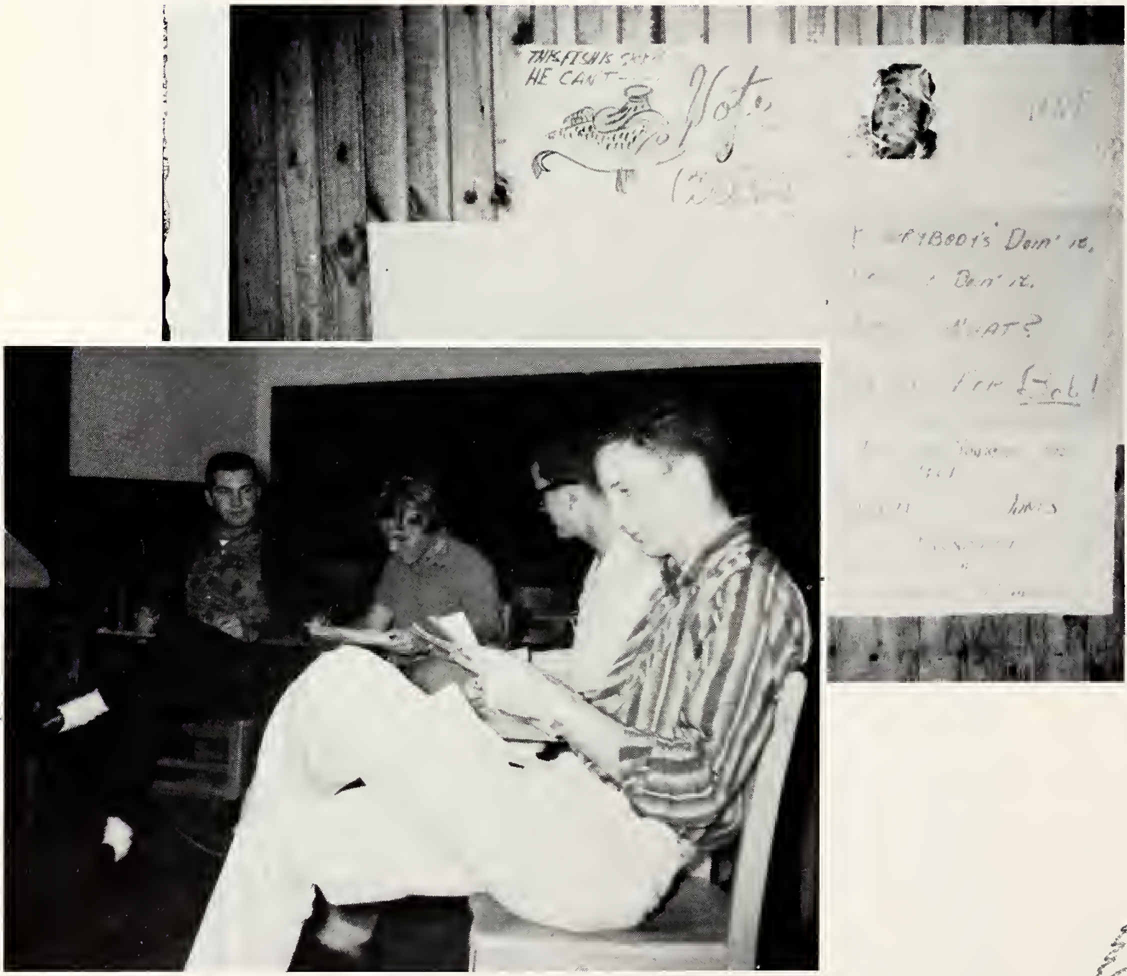
Planning was necessary for the success of Religious Emphasis Week.



Jerry Maxcy, Student Council President, drafted Doyle, Letsy, and Eddie to count votes.

Organiz

The third consecutive year Itawamba won Sweepstakes at Forensic Meet.

In addition to increases in class numbers there has been evidence of growth in campus organizations. When the college was organized in 1948, the student body was divided into two groups: The Pioneers and Le Cercle Sans Souci.

Year by year the student body's needs have merited the formation of additional organizations. Today the organized groups number sixteen: two honorary fraternities, ten vocation-related clubs, and four church-related groups.

"Work, Work, Work," said Mr. Tullos.

ations

Hall of Fame

Nan Collins, Shannon, Mississippi; Joe Savage, Guntown, Mississippi; Carolyn Cobb, Shannon, Mississippi; Gerald Godfrey, Amory, Mississippi, were selected to the 1962 MIRROR'S Hall of Fame. These students were chosen on the basis of scholarship, leadership, sense of responsibility, loyalty to school standards, participation in campus activities, and their general good attitude toward both other students and the college staff.

Student Council

The Student Council of IJC is composed of a cross-section of the student body. Each spring the students elect the Student Council President and Vice-President. When the fall session begins, three representatives from the sophomore and three from the freshman class are chosen to complete the council membership.

This campus group endeavors to provide students with a wholesome and desirable program of events. They plan social activities to make life at IJC more enjoyable and interesting.

Nominees for Student Council President were Lawton Purvis, Bob Hines, Jimmy Caldwell, Jerry Maxcy (not shown), Burdell Jones. Respectively their campaign managers were Floyd Decker, Gerald Godfrey, Woody Barwick, Larry Lott, Howard Bowles.

SEATED, left to right: Doyle Pennington, sophomore representative; Carolyn Merritt, Neal Peach, freshman representatives; Bob Hines, Vice-President; Jerry Maxcy, President; Nan Collins, Secretary; Mike Collier, Genie Hardin, freshman representatives; Jimmy Caldwell, sophomore representative.

Phi Beta Lambda

The Phi Beta Lambda is a national fraternity composed of students who are in the field of business. The purpose of the Phi Beta Lambda is to develop students into competent, aggressive business leaders.

Steve Carter, President; Sue Gardner, Vice-President; Doris Frederick, Secretary; Virginia Ferguson, Treasurer; Carolyn Posey, Reporter.

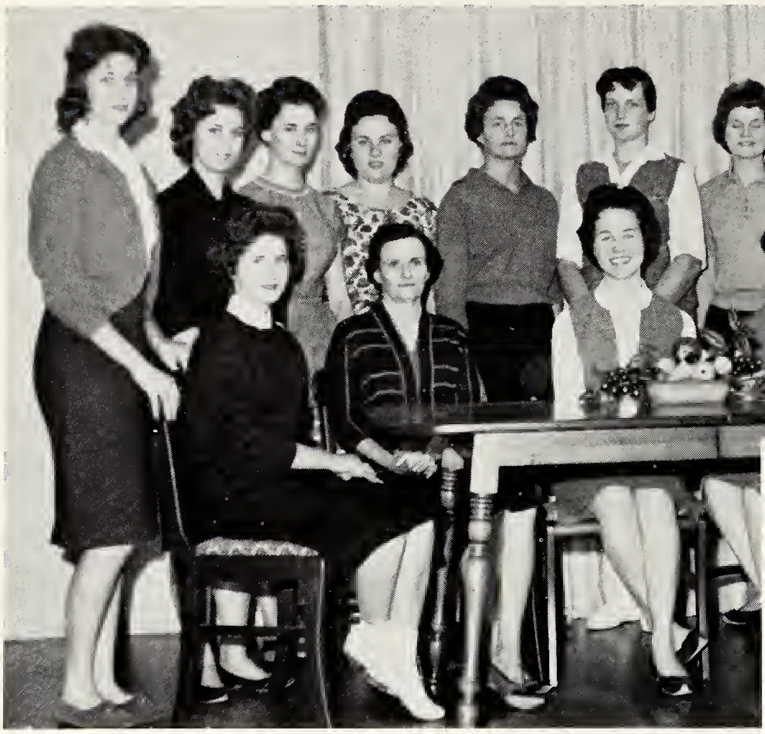
Delta Psi Omega

The primary purpose of the Delta Psi Omega is that of providing an honor society for those doing work in dramatics on our campus. The members hope to stimulate interest in collegiate dramatics through fellowship and service.

The Delta Psi Omega is sponsored by Mrs. Leatrice Timmons and co-sponsored by Mrs. James Weatherly.

Planning the Valentine dance required both sponsors and members.

Home Economics Club



SEATED, left to right, are the officers: President, Mrs. Patricia Strawbridge; Vice-President, Mrs. Grace Mayhall; Secretary, Ida Mae Gray; Treasurer, Ina Fae Gray; Reporter, Nora Lee Hall. State Home Economics Secretary, Linda Finney, is standing behind the vice-president.

The Home Economics Club is for the promotion of professional growth of girls interested in or majoring in homemaking. As the members share their enthusiasm for home economics, they have opportunity to develop their leadership abilities.

Agriculture Club

The officers of the Agriculture Club are Doyle Tubb, President; Billy Leech, Vice-President; Danny Coleman, Secretary; Bobby Vaughan, Treasurer; Carrol Moffett, Reporter; Edwin Hathcock, Parliamentarian; Arlon Cox, Sentinel.

A swine-judging team composed of Dennis Moore, Billy Leech, Edwin Hathcock, Doyle Tubb, Wayne Thorn, and Arlon Cox won first place in the state swine-judging contest. The team also placed second in over-all judging.

The club is sponsored by Mr. M. T. Seitz.

Mathematics Club

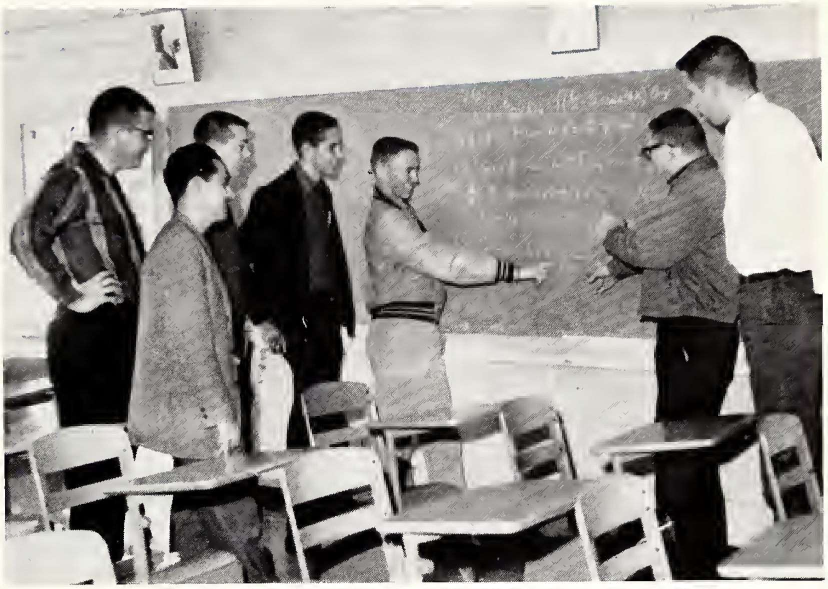
President	Tommy Cooley
Vice-President	Bob Hines
Secretary	Lee Thomas Burch
Treasurer	Wayne Gann
Song Leader	Gerald Godfrey
Reporter	Joe Savage
Devotional Chairman	Wayne Gann
Sponsors	Mrs. Sam Mayhall Reid Smith

The purpose of the Mathematics club is to further interest in the study of mathematics, to develop an appreciation for the truth and beauty of mathematics and an appreciation of our dependence upon it in life, to help the student realize the important role that mathematics plays in the development of our nation.

Miss Carolyn Posey of Tupelo was the club's representative in the campus beauty revue.

Mu Alpha Theta

The purpose of the Mu Alpha Theta is to stimulate deeper and more effective interest in mathematics; to grasp the deeper meanings and the historic importance of mathematics; to be able to contribute to our Nation's well being and to the well being of all people through the fields of mathematics.



These members seem to be proving that mathematics can be fun!

Athletics

The athletic program has been a vital part of Itawamba Junior College since its establishment. In the early life of the college the program included football, girls' and boys' basketball, and baseball. A junior college conference ruling was responsible for girls' basketball being discontinued in 1954.

The progress and achievements of this year's football and basketball teams will be found on succeeding pages. The MIRROR was well on its way before the baseball season really began, but it is believed that this team, too, will represent the school well.

The varsity teams are not the only hard workers in the program. The Cheerleaders have become one of IJC's biggest boosters of school spirit. They are a hard-working team united to spur the Indians on. This year they led the cheering at all but one football game, and home basketball games found the Cheerleaders on the sidelines boosting the team.

The Indians

The Tribe under Coach Dudley Miller's fine coaching played hard, rough football this year, and after losing some close games ended with a 3-6-1 record.

The Indians finished with eleven sophomore and fifteen freshman boys dressed out. The only loss to injury during the season was Jimmy Floyd.

IJC had two Indians, Billy Tibbett and Kenny Farmer, selected on the "JuCo" All-America squad. Both boys played in the sixth annual East-West "Ju-Co" All-American game December 2, 1961, in Albuquerque, New Mexico. Tibbett was also selected on the All-State squad.

Dedication

He reveals "the score" without warpath, and we know where we stand. In the next signal we see his arm around a member of the tribe. Only in a few places are great chiefs found. Therefore, we proudly dedicate *The Mirror* to our Chief, Mr. Archie V. INDIANS 70 MANTACHIE 0

The Indians started the season off in a big way by massacring Mantachie 70-0. The ball game was clearly the Indians from the start as they piled up a 31-0 half-time lead. Mantachie, having a relatively inexperienced club, could not contain the high-scoring Indians. The second and third teams were used by both clubs in the second half, but to no avail as Itawamba piled on 49 more points.

INDIANS 14 BALDWYN 12

The Indians, third-ranked in the pre-season polls, triggered their Tombigbee Conference campaign off to a rollicking start with a 14-12 victory over first-ranked Baldwyn. Baldwyn jumped into an early 12-0 lead, but the Indians cut it by half-time to 12-7. The difference in the game was a 91 yard touchdown punt return in the fourth quarter from which Baldwyn never recovered.

INDIANS 34 OKOLONA 14

Itawamba's Indians, liking the taste of victory, rolled over Okolona 34-14. There was no stopping the Indians as they scored on the first series of downs. The first half ended with Itawamba leading 20-7. Keeping the same pace in the second half, the Indians tallied 14 more points with the final score reading Itawamba-34, Okolona-14. This victory put the high-scoring Indians in the conference lead—a lead they never relinquished.

INDIANS 47 KOSSUTH 13

This game was possibly the Indians greatest team effort as the Indians rolled up a 47-0 half-time lead. Kossuth was unbeaten previous to the game and was considered a conference contender. The game was only two minutes old before Itawamba had a 14-0 lead. By the end of the first quarter the score had mushroomed into the thirties. The first team did not play in the second half as the second and third teams gained experience. The final score read Indians-47, Kossuth-13.

INDIANS 47 SHANNON 27

Still dreaming of its last victory, the Indians almost met disaster at the hands of Shannon. The half-time score was 28-21 with Itawamba on top. The defense completely fell through until the fourth quarter, but the offensive team never let up as it rolled up another 47 point total. Overconfidence and a stubborn Shannon eleven hurt the team most, but the weight of numbers prevailed as the final score stood: Itawamba-47, Shannon-27.

INDIANS 14 CALHOUN CITY 0

Itawamba continued its winning ways by beating Calhoun City by the score of 14-0. The only scoring in the game was in the first half as the Indians scored on an extended drive and then tallied after recovering a fumble. The rest of the game was one of defense. This time the Indian defense was magnificent, for the Wildcats never mounted a scoring threat. This was the sixth victory without a defeat for the mighty Indians.

INDIANS 35 NETTLETON 13

The Indians continued their march by rolling over the Nettleton Tigers with a score of 35-13. Coach Spigner played more than 30 men in the fracas, giving members of the second and third strings game experience. There was never any doubt about the result of the game, as the Indians rolled up a 28-0 half-time score. With the B-team playing the second half the starters rested for the last stretch of the Tombigbee Conference race.

INDIANS 42 BOONVILLE 0

Boonville, trying to upset the unbeaten Indians, fell by the score of 42-0. The first half was marked by fumbles in which the mighty Indians could score only 7 points. The second half was a different story as Itawamba tallied 35 points. This eighth straight victory set the stage for the showdown battle with Ripley for the Tombigbee Conference Crown.

INDIANS 14 RIPLEY 13

The Itawamba Indians captured their first-ever Tombigbee Conference Championship with a thrilling 14-13 triumph over second-ranked South Tippah. Ripley scored the first time it got the ball, but Itawamba tied the score at 7-7 by halftime. After the half the Indians tallied again to take a 14-7 lead. Ripley then scored a touchdown, but a host of Indian tacklers stopped the extra-point try for the one-point victory.

INDIANS 40 VARDAMAN 13

The Indians finished their regular season undefeated with a 40-13 victory over Vardaman. Only 45 seconds had passed before the Indians had 7 points, and by half-time the score stood at 26-7. The final score of 40-13 brought to a close the most successful regular season ever had at Itawamba High School. After the game the players voted to accept a bowl invitation. This was the first time any Indian team had ever been honored by a bowl invitation.

LION'S SIGHT BOWL

INDIANS 27 BENOIT 39

The Indians because of their colorful play and string of ten victories were invited to the Lion's Sight Bowl with Benoit, a winner of its last 21 games. This was possibly the highest honor bestowed on Itawamba's magnificent high school team. Although the Indians lost by the score of 27-39, the game, played on a muddy field which hurt the Indians' passing offense, was not decided until the last two minutes. This brought to a close Itawamba's football season.

Congratulations, Rubye Del

Rubye Del Harden, a senior, deserves honorable mention because she has excelled in two special fields. Rubye Del claims first clarinet chair in our local band. She has been selected as a member of the Lions All-State Band for three years. After completing a week's training at Old Miss, she spent a week in Chicago at the Lions International Convention. Last year she trained at Mississippi Southern and attended the convention at Atlantic City. This year she will go to Nice, France, for the convention and a twenty day tour of Europe.

Rubye Del also received the Betty Crocker Award. She won the award in competition with other girls of the senior class of Itawamba Agricultural High School.
